Rosamary,

you are a great person with a marvelous personality to match. We have been next door neighbors for seven years, and I really consider you more than just a friend and next door neighbor. Really we have grown up together, I can still remember all the great times we have had together. I hope we will have many more good times together. I hope we will see a lot of each other this summer. Maybe we can go swimming some. I hope we will continue to be neighbors for many more years to come. Best of luck to you in everything you do. You will go far in life because you are a wonderful girl. I hope you will never forget me ^{and} our times, I know I won't.

Overture

A Symphony of Days

Now "out on the wind of time" the days of this year make beautiful music in the stirring breeze as they blend in symphonic accord to be heard again, never entirely the same, yet never entirely different.

From the crimson and gold days of September when the year began, through the days of early June, fashioned from the blue mists of morning and sparkling with youthful hopes, the symphony flowed in one swift continuous movement so skillfully handled that autumn had stepped into the white magic of winter, and winter was knee deep into spring before the realization that the great symphonic structure with its many motifs was about to end perhaps to be partially recaptured in the music of some wandering wind on the other side of tomorrow.

Composers and Conductors

THE ANNUAL STAFF

Sponsor, MISS BILLIE COOKE

Throughout the entire year the Composers and Conductors worked tirelessly on the symphonic score, selecting and rewriting, rehearsing and re-evaluating until the various movements combined into one harmonious melody.

CONCERT BAND

Hours of practice and hard work have made the John Overton Concert Band an organization of the highest high school quality. Under the direction of Mr. James Golden the concert band presents a concert each year

as well as many programs in connection with the music department. Members in the band are exposed to various types of music and musical techniques which tend to make them better musicians.

Classes For the New Term Get Underway

On Tuesday after Labor Day those students who had previously attended Overton returned to get class schedules for the new term, and new students came to register pushing the school's enrollment to 1385.

Then things began to happen. The school year had begun and classes were quickly organized.

Chemistry class started off with a boom and proved to be as fascinating and surprising at the end of the year as it was at the beginning. Interesting experiments were frequent as the class explored the world of the atom. Some adverse reactions occurred when certain substances were mixed, and the class learned from experience the startling effects that result from making the wrong combinations.

Attaining knowledge through experiment

Obtaining first hand information

Today's interest in science has made it necessary to offer an advanced course in biology this year. Students have found biology to be one of their most interesting subjects, for they are constantly learning about themselves and life around them. Finding life in drops of water as well as learning about structures of animals is an exciting adventure.

The department has added much in equipment. Among the many new additions is a human brain which the students are able to examine to try to learn something about the thinking processes.

Art is a medium of expression

Esthetic Experiences Help Students Appreciate the Finer Things in Life

Art classes are among the most fascinating hours spent in school. Creative and artistic talent evolve into works of art which are enjoyed by everyone in the displays around school. The contribution which art makes to our daily lives is expressed by the words "a work of art is a joy to all."

Choral Music Is Another Means Of Expression

Folk singers express themselves in many kinds of song—happy songs, work songs, sad songs, songs that span worlds and even centuries. The songs that they sing tell many varied stories and express myriad emotions—emotions that have been felt by all mankind. "The folk song is the simplest and most enduring form of music and poetry." Today more than ever people have come to recognize the value of folk singing and those who participate find pure joy in singing folk songs.

Knowledge and Understanding are Widened through Foreign Language

Fast air transportation that has made all distances shorter has brought about the need to speak more foreign languages. "Bonjour, parlez vous Francais?" Whether one speaks French or not, French culture is a part of his life. The French cuisine is world famous, as well as the French ballet, and French Art. Through the language students learn to appreciate the beauty of other cultures.

French Arts

A Spanish Senorita

Buenos dias! The Spanish senorita enlivens the classes in Spanish to help students realize the type of people about whom they are studying. The colorful Spanish history is portrayed as the senorita dances in her traditional costume. Ole'!

Practical application in a Home Economics class

Homemaking and Home Planning Provide for Self Expression

Learning to bathe the baby is only one of the many aspects of making a home taught in Home Economics. Students are taught to plan, cook, and serve well balanced meals, to make their own clothes, to decorate their houses attractively, and to be gracious hostesses. Homemaking is a fine art and requires much learning to accomplish.

Young Architects Prepare for The Future

Planning for future careers is an important aspect of the architectural drawing classes. Buildings for the future begin here. The students learn to create and to express their ideas on paper, and this class opens the door to numerous opportunities. Building is big business and fortunate indeed will be the builders who can obtain the services of well trained architects.

The Humanities and Cultural Development

Songs of the past echo in the history classes, and through these classes students are able to understand why the world is as it is today and to gain the insight into what the future may bring. The present, world issues, and world problems are discussed in light of past events. The young Southern belle and her Confederate escort are really no different from an American girl today and a young soldier on leave before going to Viet Nam. Only the time and the weapons have changed; the tragedy of war has not.

History comes to life

English Students Seeking Guidance in Selecting Books for Outside Reading

Greater insights into the literary world were given students at Overton this year through an enriched outside reading program. They were guided by their teachers to read superior books both classic and modern to broaden their horizons and gain a new understanding of literature.

Carefully prepared reading lists were put in the library and in all the English classrooms. Students also consulted with their English teachers.

To further encourage reading a reading laboratory was given in every English class.

Many found that by reading well written books they improved their writing and their vocabulary

A New Course Proves Helpful to the College Bound Student

Short cuts are helpful to all students but a new short cut this year learned in notehand class proved most valuable.

This form of writing at first seemed impossible. Soon, however, the students mastered it and were advising their classmates to take the course which proved to be a great time saver. College bound students who have to take innumerable notes from lectures in all classes find the subject most beneficial as well as fascinating.

Members of the new Notehand Class Demonstrate their Technique

School's Out for the Day!

After attending classes all day and participating in many activities, when three o'clock comes there is a mad rush for lockers. The locker doors slam and each is off for his bus, anxious to get home and enjoy a few hours of recreation and relaxation.

CREATIVITY TOOK MANY FORMS DURING THE YEAR

Award Winning Play Antigone

Significant achievement for the Forsenic Club under the able leadership of Miss Anne White and James Stelling was the success of their production of Sophocles' great tragedy Antigone. The play was so well done that they were asked to televise it on Channel 2, and after the performance were invited to plan more plays for television viewing.

The play won first place in Competition at the Tennessee Speech and Drama League Tournament, and Sharon McKeand was presented with the best actress award.

The leading roles were taken by Jenni Gottfried, Sharon McKeand, Tom Fuller, Steve Condurelis, Larry Emsweller, and Dennis Hood.

A Major Art Project

Overton students are justly proud of their coat-of-arms—so much so that they requested it be placed on the wall in the gymnasium. One of the talented art students under the capable guidance of his teacher spent many hours working out an enlarged replica which now hangs in a prominent place for all to see.

Participation Makes for Zestful Living

A Hearty Welcome to State Convention Delegates

Overton was elected Secretary of the Tennessee State Association of Student Councils for the year 1966-67 and therefore was in charge of the State Convention held at the school in April. Students from all over Tennessee poured into Nashville for the event.

Early Morning Take-off on a Forensic Trip

Arriving at the school for departure on a Forensic trip is a scene most familiar to Forensic participants. Five o'clock in the morning seems to be a favorite hour for departure. These members have apparently been aroused from peaceful sleep and are patiently awaiting the arrival of the bus which will carry them to their destination.

WESTSIDE STORY

Winner of Metro One Act Play Contest

They said it couldn't be done - fifty people in a one act play. But we did it and we won against the toughest competition in Nashville. Also we placed two people on the all star cast, Chris Horsnell and Larry Emsweller.

The leading roles were taken by Beth Roberts, Dana Greer, Aaron Karen Blanton, Chris Horsnell, Mark Stein, Mike Kidwell, Dennis Hood, Larry Emsweller and Tom Fisher.

Activity Is Overton

'Tennis anyone?' This year Overton has brand new courts for the use of students and the community. Built by the Metro Park Board, the tennis courts enable all students to participate in this enjoyable sport.

Tennis Courts, long promised, were completed this year.

"Cage Those Bears"

Contagious enthusiasm is apparent at all the pep meetings. Inspired by the cheerleaders who keep spirits high, the student body urges the team on to victory. Many hours of hard work, as well as creativity, go in to making each pep meeting individual.

Realizing that keeping spirits high plays a big role in recovery, members of the Future Nurses' Club entertained the children in the pediatric ward at General Hospital with a Halloween party. Each child was given a small pumpkin filled with candy as well as other favors and appropriate games were played.

Future Nurses prepare for some physical therapy.

"All This and Overton, too"

Future secretaries and business leaders not only learn to do the manual chores of office work, but also to apply their skills in the operation of machines. Overton was fortunate this year to acquire several of the latest models. In the fast progressing future of the machine world members of this class, with such knowledge would be able to compete for jobs with anyone.

Practical application of knowledge

Spanish speaking puppets? Who would believe that puppets could speak Spanish—a feat with which we struggled all year? These puppets added interest and variety to the study of Spanish and the Spanish way of life.

Enlivening the Spanish Class

Presentation of a portrait of former Principal E. M. Tipton was made at an assembly of the entire student body by the senior class. The picture now hangs in the school lobby. Former Principal Tipton, now high school supervisor, was the first principal of Overton and served in that capacity for over eight years.

Portrait of former principal is presented in Assembly

Overton Students Honor the Faculty With A Picnic

There was song and there was laughter, there was a glowing fire and there was silvery smoke there was appetizing food, and there was cool and tangy autumn air at Ellington Agricultural Center when the Student Council warmly welcomed the faculty to the

annual picnic; but more than all these was the happiness and enthusiasm that was apparent.

The glow of the fire seemed to warm the hearts of all those who attended. The teachers were treated royally by a retinue of

hospitable students. All their wants were anticipated. Cups were kept filled with steaming hot coffee, and plates were piled with all kinds of delectable food. For entertainment several different groups sang and some of the members of the band played.

Homecoming Was A Highlight of The Football Season

Although an enchanted autumn night with a harvest moon and just a whisper of chill in the air was anticipated for homecoming, nature in one of her capricious moods, or perhaps a witch lingering from Halloween, dampened all such hopes when a light rain began to fall during the day.

However enthusiasm for the popular Queen and her court was far from dampened. Cheers from the alumni and football fans rang out as Joan Vaughan was crowned football queen by Co-Captains Sam Ewing and Brett DePalma.

Representing the various classes in the royal court were: Mary Jane Harris and her escort, senior class president Steve Condurelis; Debbie Ouphant and junior class president Jackie Simmons; Janice Martin and sophomore class president Frank Livesay; and Jamie Comer and freshman class president Mike Regen.

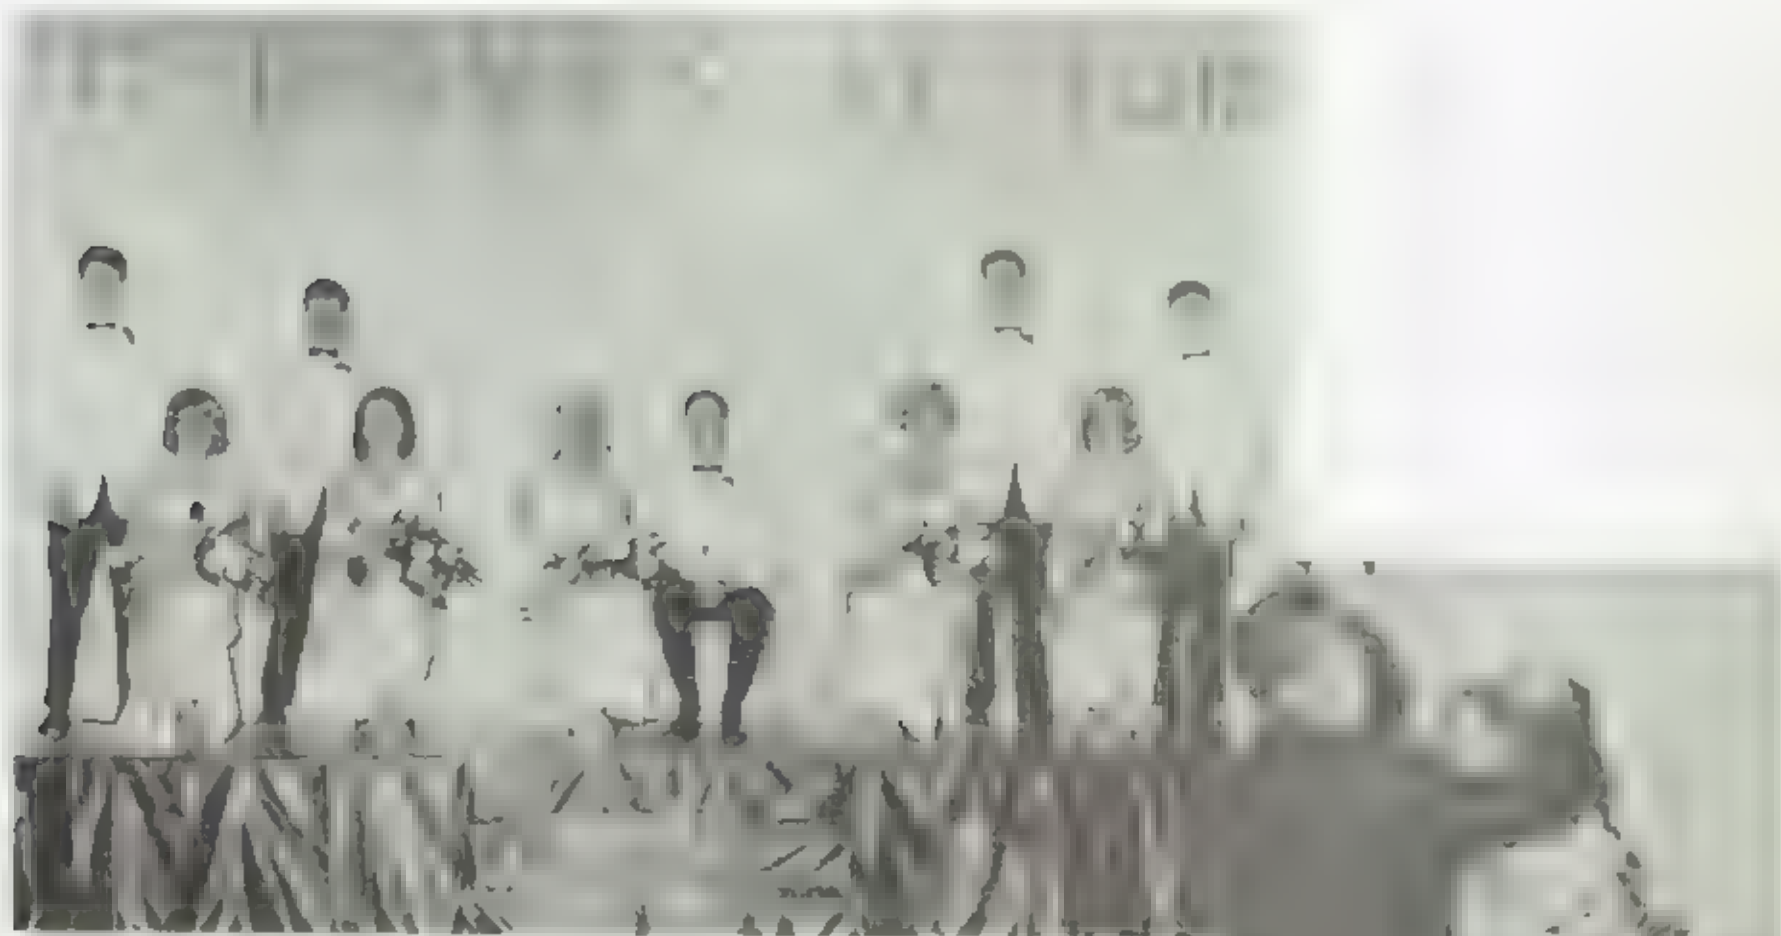

Christmas Is Happiness

This year Overton fairly glowed with the enchantment of Christmas. Before school was dismissed for the holidays an appropriate program of Christmas music was given at assembly and the week before 'Babes in Toyland' was presented by the Choral Music Department at a night and matinee performance under the direction of Mrs. Margaret Rhame. Leading roles were portrayed by Carolyn Springer, Larry Emswiler, David Martin, Marsha Johnson, Mike Frensey, Mary Lynn Littlejohn, Ricky Sweeney, Sam Ewing, and Pat Redeisheimer.

The various clubs had Christmas projects varying from Toys for Tots to packages for soldiers in Viet Nam.

"Green Leaves of Summer" Sets the Mood for the Junior Senior Prom

Converted into a veritable fairyland of loveliness, the gymnasium was like an unreal world after the juniors had touched it with their magic wands and with unbelievable success created a midsummer day resplendent with the green leaves of summer, the chosen theme

Girls in their new formals of delicate pink, blue, yellow, and green resembled a bouquet of summer flowers and fitted in perfectly with the surroundings.

Crystallized in pictures and never-to-be-forgotten memories, the prom climaxed the social events of the school year

Pretty Peggy Condurelis was prom queen, and she was escorted by Tommy Horton. Members of her court and their escorts were Emily Jordan, Sammy Hodges; Bonnie Hall, Johnny Thompson; Carol Vincent, Steve Hill and Anne Waller, Mark Rogers

Underclassmen Enjoy the May Dance

Apple blossom time always a season for festive events was no exception at Overton. The underclassmen had their own dance. Enthusiasm ran high. For days the dance was anticipated and talk of the coming occasion took precedence over all other topics of conversation. Thus the

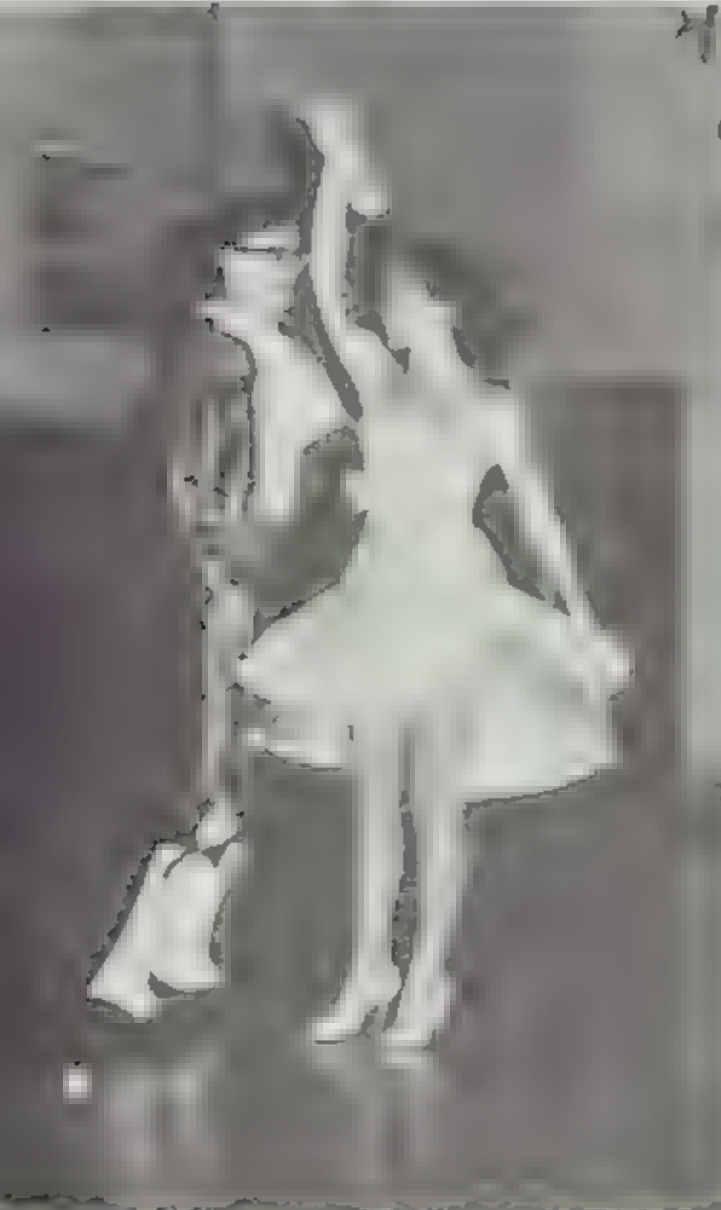

social calendar for the year was completed on a note of great joy and happiness.

Cheri Amick reigned as May queen and members of her court were Genie Muse, Kathy Wilkinson and Fran Husband.

"Music Go Round" Is the First Experiment of "In the Round" at Overton

Presented by
THE CHORAL MUSIC DEPARTMENT
AND THE FORENSIC CLUB

People attending Music Go Round were astonished when the hands of the clock reached 8, and the curtains on the stage remained closed. Instead from the middle of the gymnasium floor they were given a "Hello and Welcome" from the Heralds of Spring. Then the rest of the performance took place there.

This was the first time such an experiment was tried at Overton, but judging from the many requests that other such events be given in a like manner, it was highly successful.

The directors were: Mrs. Margaret Rhame of the Choral Music Department and Miss Anne White and James Stelling, co-sponsors of the Forensic Club.

Merit Scholars

This year Overton had six Merit Scholars chosen on a nationwide basis of merit. These students represent the qualities of scholastic aptitude and achievement, character, leadership, and participation in school and community activities. This excellence of accomplishment makes these students eagerly sought after by colleges and universities across the nation.

Seated: Gene Cordell, Lark Hayes. Standing: Beth Roberts, Phil Trtschler, Pat Bennett, Car Geer.

TOP TEN SENIORS

STUDENTS WITH HIGHEST AVERAGE IN THE CLASS FOR 3½ YEARS

Kneeling: Wayne Spitzfeld, Gene Cordell, Betsy Cramer. Back Row: Barbara Brockett, Carol Fisher, Rachel Shields, Mark Stein, Becky Hickerson, Tim White, Acyon Heath.

ORBIT EDITORS

Issued every three weeks, the Orbit is considered an outstanding high school newspaper. Although the work is time-consuming, the experience provided is nevertheless most rewarding for the members of the Orbit staff. Their never-ceasing efforts have been generously rewarded, thus bringing honors to John Overton. Some of these awards are the Americana Award, an "Excellent" rating by the THSPA, Medalist in the Columbia SPA, and All American and First Class ratings by the National Scholastic Press Association.

QUILL and SCROLL

Receiving its charter from the National chapter in the Spring of 1964, the Quill and Scroll is an organization designed to give recognition to outstanding students in the field of journalism. It is a goal attained by those who strive for perfection in their particular field of journalism such as news writing or photography. The club serves as encouragement for those who might like to pursue a career of journalism after high school.

ADVANCED CHOIR

Overton can be rightfully proud of its fine choir. Only senior or high students with exceptional musical ability are selected to become members of the Advanced Choir. Each year Mrs. Margaret Rhame produces an outstanding choir which presents special programs throughout the year. Our year at Overton would truly not be complete without the choir to add a touch of music.

FORENSIC

Forensic work provides for the student many features which will help him in later life. The art of expression of one's thoughts both intelligently and correctly is perhaps the major function of this club. Another helpful lesson learned by participants is that of ease in speaking before audiences. The club's success is shown by the blue ribbons and numerous trophies brought back from various tournaments.

NFL

Members of the National Forensic League are workers who have earned enough points to become members in the League. Many tournaments are sponsored by the NFL chapters and Overton students are among those who are invited to participate. Many of these tournaments are held out of town such as the Barkley Forum at Emory University in Atlanta, Georgia, and they are looked forward to with much anticipation on the part of the members.

THESPIANS

Chartered in the spring of last year, the Thespian Society is composed of students who wish to participate in drama. Points are awarded in events such as duet acting, working on scenery, or being members of a play cast. Working in close association with the Forensic Club members, two one act plays are given each year, and by participating in these one may get his Thespian membership.

FUTURE NURSES

All of the girls interested in nursing as a career were invited to join the Future Nurses Club. Mrs. Louise Smith sponsors this organization which gives much needed and valuable experience to the girls. Many future doctors will be very grateful for the help of these future nurses.

MARCHING BAND

At the pomp and splendor of John Overton is expressed by the marching band as they strut across the field in their magnificent red uniforms. Their peppy rhythm and perfect step indicate many hard hours of practice on the marching field under the capable direction of Mr. James Golden. However, their work has not gone unrewarded for many trophies won by the superb performances of the marching band line the trophy cases.

THE STUDENT COUNCIL

"This meeting of the Student Council of John Overton High School is now called to order." Thus opens another session of our school's student government. The representatives act as mediators to hear the student body's wishes, present them to the Council, and return with the decisions. The Student Council is charged with the task of planning and executing most school functions

during the year and it does an admirable job. Each year the Council sponsors a faculty picnic and supports a charitable organization. Overton's Student Council is proud to be Secretary of the Tennessee Association of Student Councils. In this capacity the Council conducts all correspondence throughout the state and will this year be host to the Student Council Convention.

NOVUS SENATUS

Each year the members of Novus Senatus at Overton don their togas for one evening and eat Roman style. The Roman Banquet is the climax for our fine Latin department and its second-year students. The purpose of Novus Senatus is to further the students' interest in Latin and Roman history. Mrs. Juanita Ward, the club's sponsor, is doing an excellent job at making this club

one of the most popular throughout the years. The increasing number of members each year is evidence enough of its popularity.

Something new at Overton this year was the "Romanus Erro" or Roman Rambler. A newspaper written and edited by Latin students and published monthly.

FRENCH CLUB

Beauty is the key word of the French language and the members of the French club are taught not only the language but the tradition of France as well. France has given us a wide variety of the fine arts. The members of the French Club branch out from art to French cuisine to assist Mrs. Barbara Meacham in making French interesting as well as educational.

SPANISH CLUB

Ole ! The beauty of old Spain is captured again by Mrs. Silver and the Spanish Club. The romance of the Conquistadors and the majesty of the Pyrenees is represented by the students of Spanish at Overton. The colorful Spanish projects and Latin American souvenirs show that these students have not only mastered the language but the spirit of the country itself.

GERMAN CLUB

'Sprechen Sie Deutsch?' To learn the German language, customs and culture is indeed the prime function of the German Club. On the program for this year was a Christmas party. Also in the spring there was a German banquet. All of the members agree that the German Club does enrich their study of the language as well as provide fun and entertainment for all.

FUTURE TEACHERS

Many of the teachers at Overton feel that without the help of the Future Teachers some papers might just not get graded over night. The members of the Future Teachers of America are not only getting valuable experience but are a tremendous asset to our teachers as well. After all it takes nerve to grade some of those papers!

MENTAL HEALTH CLUB

Mental illness is one of the major problems facing the people of the world. Members of the Mental Health Club, sponsored by Mrs. Peggy Harris, are doing their part in combating this dreaded disease. Several times each month its members go to Central State Hospital to give mental and physical therapy to the patients. The members of the Mental Health Club are a great asset to the rehabilitation program of many Central State patients. The club's members deserve a great deal of credit for the tremendous job they are doing.

MODERN MUSIC MASTERS

Overton is indeed fortunate to have a chapter of Modern Music Masters. Tri M is a national honorary society for music. To become a member of Tri M a student must not only be proficient in music but must have a high academic average as well. The club is jointly sponsored by Mrs. Margaret Rhame and band director James Golden who are responsible for the high standing of the organization. To be asked to become a member of Tri M is the highest honor which can be given to a music student.

MARKETING CLUB — D.E.C.A.

Winner of the District First Chapter Award this Year

The Distributive Education Club of America is an active part of Overton life. All students in the Marketing classes are members of the club. D.E.C.A. gives its members a chance to get out on their own and get job experience. Each member not only continues his education but can hold a job to make his own money. Mrs. Ruth Clark sponsors this valuable organization.

THE OVERALLS

In the past Overton students have shown a great interest in folk singing and this year is certainly no exception. Any student in the senior high school with an interest in folk music was invited to join. This group has performed at several assemblies this year, however the main purpose of the Overalls is pure enjoyment. They get together to enjoy life to the fullest by singing.

BOYS' "O" CLUB

Members in the Boys' "O" Club have been awarded varsity letters for active participation in one or more varsity sports. These students have not only achieved athletically but have given their time and efforts in service to John Overton. Also emphasized are such qualities as sportsmanship and courtesy which tend to make members in this club better citizens.

OFFICE AIDES

Helping the office staff by running errands, delivering messages, and performing other assigned duties are the girls who relinquish their free period for this service. Informing classes and teachers of announcements and absentee lists is a major task. These girls are essential to a smooth running day at Overton.

Kneeling: Charlotte Wilson, Teresa Kelly, Betty Phares, Lynn Corbridge, Lynn McWhorter, Carolett, Kathy Thornton, Ann Baird, Chris Heng. Standing: Mr. Frances Propps, Jeanne Jones, Jan Vaughan, Mary Ellen Woods, Virginia Vaughan, Jacque Spaulding, Mrs. Ruby Tucker.

GUIDANCE AIDES

Making themselves useful by typing, filing, and running errands are several senior girls who are supervised by Mrs. Hobbs and Mrs. Johnson. Mr. Stephens also works in this office during part of the day. A full time secretary, Mrs. Ezell, aids the invaluable staff of this helpful and informative department.

CHESS CLUB

Much practicing was evident this year among the members of the Chess Club aspiring to win first place in the citywide Chess Club Tournament. Since chess is a game that requires much thought and strategy, it appeals to those who like to think and has a special value in training students to concentrate and work out problems. The practice paid off—The club won first place in the tournament.

CAFETERIA STAFF

Plate lunches, individual servings, salads, desserts, and milk are a few of the many items available to Overton students in the Cafeteria. Daily preparation for almost 1500 people is an enormous task. Many long hours are put in by our hard-working cafeteria staff to accomplish an essential job.

CUSTODIANS

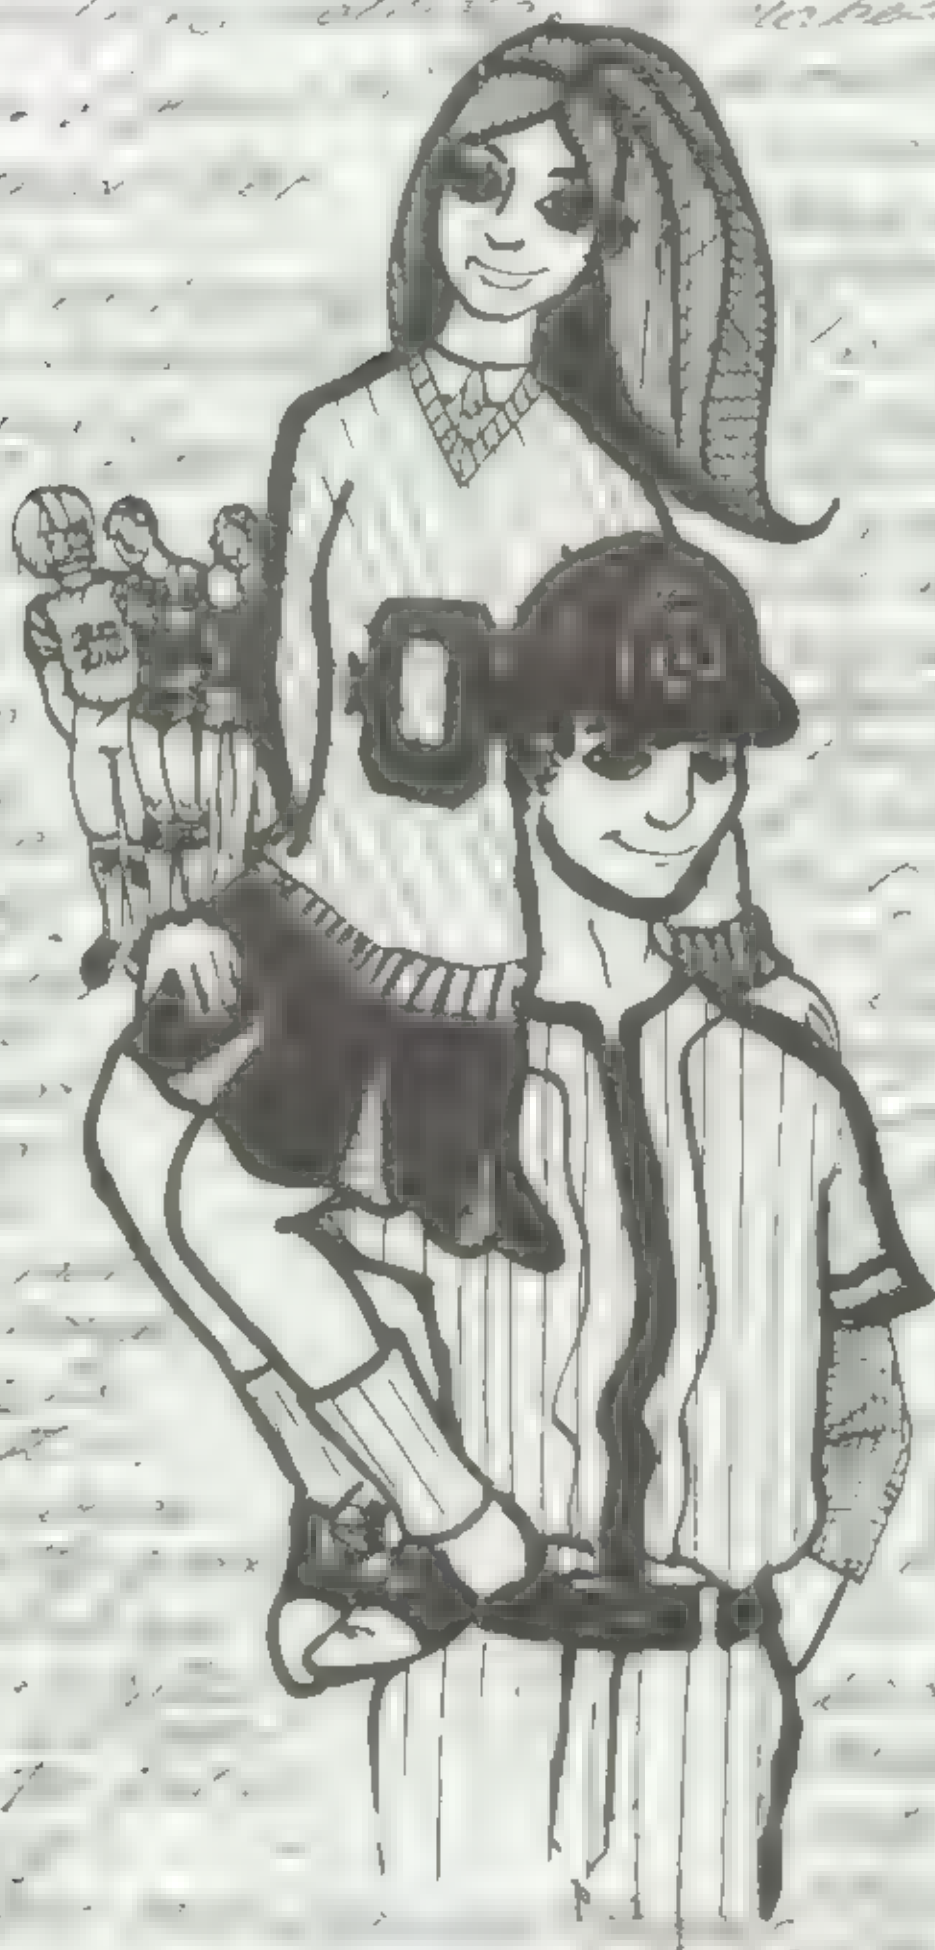

Services of our custodians and maid give the Overton campus a tidier appearance. These men are always on hand for evening school and community activities. Ball games, dances, and club meetings require their presence. The long hours put in by these workers are clearly evident and deeply appreciated.

This year's 6-4 record was unusual because after winning the first two games the Bobcats won and lost every other game for the rest of the season. It was a year of eation with wins over arch-rivals Hillsboro, Antioch, Donelson, and Gendrit. Also dismal defeats were handed us by Two Rivers, Pearl, and Goodlettsville at homecoming. This season the team kept the fans excited by the great running backfield and line play.

With only six seniors on the starting offense and defense the outlook for next season is bright with a tremendous crew of sophomores and juniors returning.

Game by Game Summary

OVERTON 33—HILLWOOD 12

Overton won its first opening football game in four years on the strength of Jim Wilson's two T.D.'s that were supplemented by the scoring of Frank Livesay, Sam Ewing, and Paul West. Wayne Thompson failed to score but was the leading rusher with 121 yards. Hillwood's scores came only after the Bobcats had closed out their scoring.

OVERTON 27—FRANKLIN 0

Jim Wilson and Wayne Thompson paced Overton to a 27-0 victory over Franklin with a touchdown and 96 yards rushing each. Larry Banniza scored on a seven yard pass from Frank Livesay. To round out the scoring Carl Stanberry scored on a blocked punt when he recovered the ball in the end zone. Paul West, the man who blocked the

effort, played an outstanding defensive game along with Ken Carter.

OVERTON 6—TWO RIVERS 12

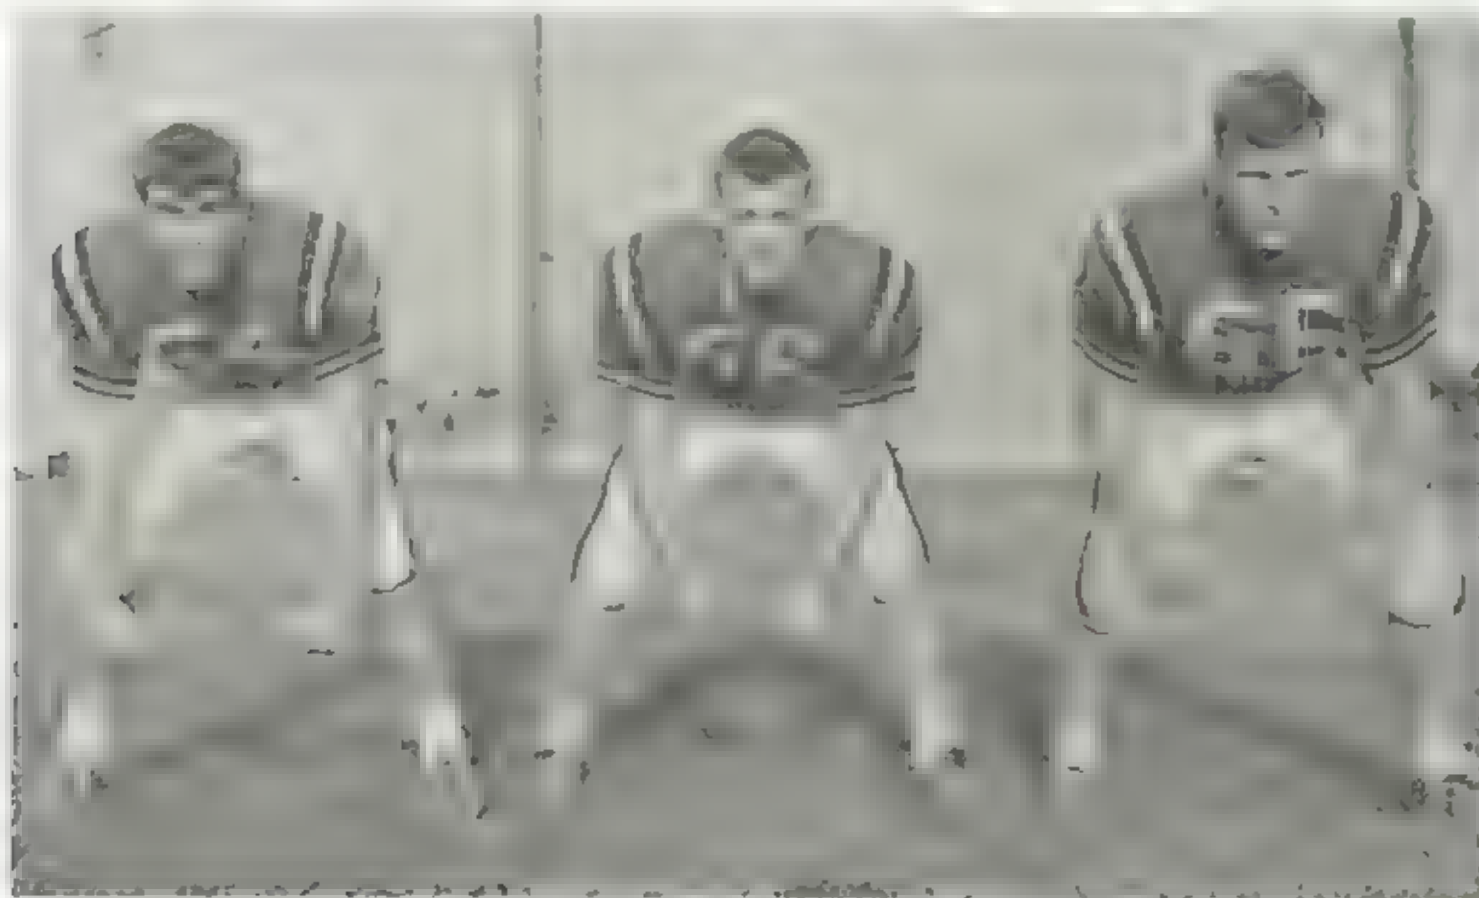

The giant "O" was deflated by the Two Rivers Pirates as Overton was handed its first defeat. Two Rivers tallied first but was soon tied to knot the score. The extra point attempt went awry and the chance for a lead was lost. Two

Rivers came back to score again and the tallies were in. Overton had a hard battle and could not pull it out as hoped by fan and player alike.

OVERTON 21—ANTIOCH 20

Overton played perfect football during the first half against Antioch allowing only one freak touchdown. Overton led during the first half to the tune of 21-7. Antioch

19th DISTRICT REGULAR SEASON CHAMPIONS

The 1966-67 model of the Catmobile round ball campaign was split with seven seniors and five juniors at the controls. By January the free wheeling Bobcats had run off the track only twice as the attack was dominated by senior performers. Larry Banniza was featured as an aggressive forward with an eye constantly towards the basket. Mike Fensley in his second season as co-captain was a stabilizer with his fast hands and confidence in the long shot. Co-captain Don Lockridge and Eddie Walker were not point producers but the fans have thrilled to their fast, sure dribbling and ability to produce the clutch play in tight situations. Deedy Mason, the tallest man of the squad at 6-5, was a steady rebounder who posed a threat to break an opponent's spirit with a scoring explosion. Next was surprising Sam Ewing, a highly regarded rebounder, who worked his way through the ranks into the field of starter. Transfer Gary Palmer rounded out the senior division as the team's muscle man who played a very consistent game.

The juniors were led by regular Paul Erland as the team's leading scorer. With yet another year left, Paul has shown

himself a tremendous marksman and backboard cleaner who has turned the head of many a college scout. Bill Bell as the most used reserve boasted accuracy and hustle as his greatest assets as did Gene Lidyard. David Sparks and Dicky Speck were able boardsters but have seen only limited action.

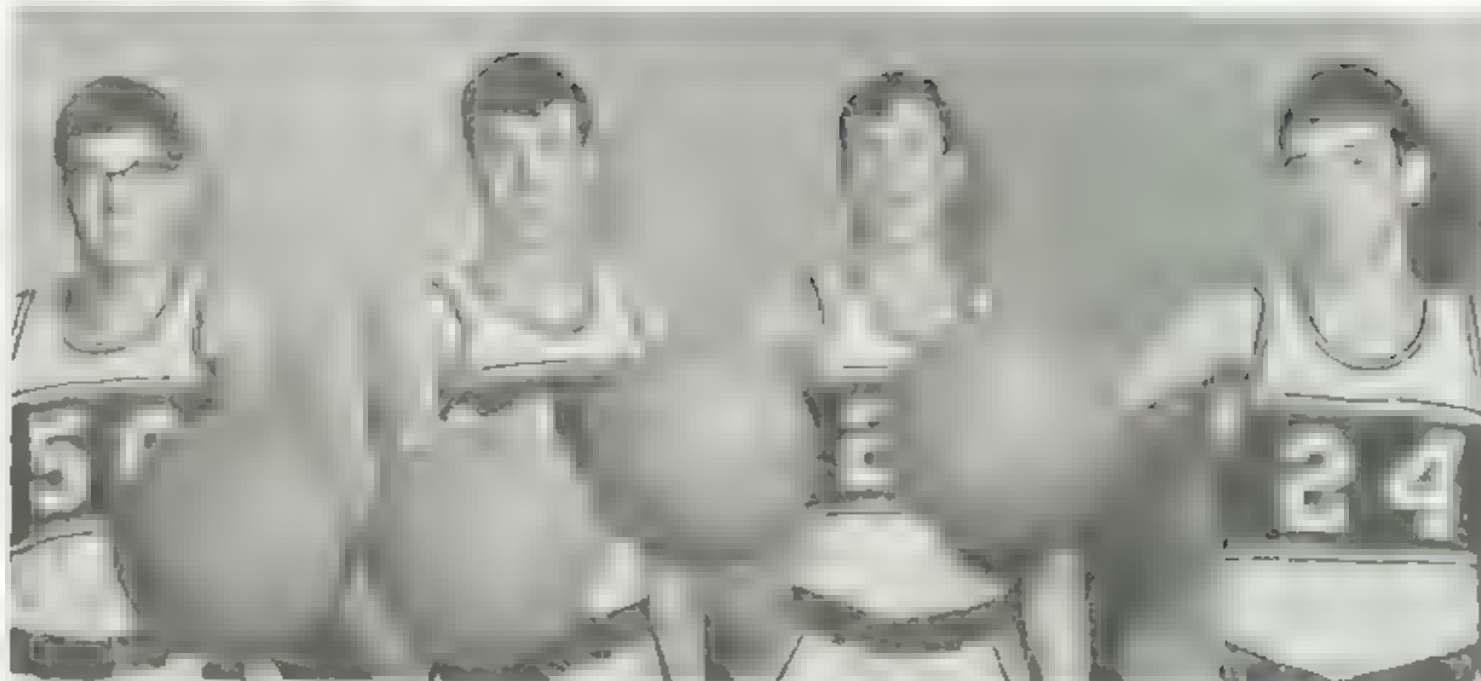

The season was kicked off by a 65-37 trouncing of Antioch, led by Larry Banniza and Paul Erland with 18 points apiece as Deedy Mason scored 12. The following night Bellevue fell victim of a 69-36 bombardment with balanced scoring from Paul Erland, Eddie Walker, and Don Lockridge with 16, 9 and 8 points, respectively.

The shock of the season was the complete annihilation of Hillwood to the tune of 75-13, setting a school defensive record. The crowd saw Hillwood hit only 2 field goals in the course of the evening. Larry Banniza played close to a quarter and racked up 13 points to lead the slaughter.

Goodlettsville provided stiff competition but stumbled and fell 63-52 as Erland ripped for 21 points, of which 13 came from the charity line. Larry Banniza grabbed 12 and

It was the Grand Bantua duo that downed napess Dupont 77-40 as they contributed 20 and 18 points while Mason fired n 15 scores. The next evening a wary Overton club clobbered a blundering Hillsboro squad into the floor.

Perhaps the most difficult assignment that befalls the sportswriter is that of writing about a girls' basketball team. He does not have the inside that he receives when he strolls through a sweat-ridden locker room where he sees what it is to be dedicated to win.

In this tradition that has been prevalent in recent years our girls' team has rolled to an 8-1 record at press time. A team that had only five seniors was captained by guard Suzanne Hogan and forward Ida Gayden. The most frequent performers were forward Cinda Haddon, a main point-producer, Brent Regen, a rugged junior playmaker, and Vicki Rauschenbeger, a rebounder with a deadly two-hand bank shot, also a junior. To this was added hard driving Captain Gayden, a senior.

These seniors and two juniors tacked down guarding chores. Suzanne Hogan was a sweeper of the rims and transfer Karen Yeargen was an astute dribbler. Jeanne Guepe, the final senior, provided enough hustle to propel all three guards. The junior corps was composed of Gayle Escue and Martha Driver, who split time with the pre-mentioned seniors. Rounding out the team were the bench hopefuls who awaited their chances. These were guards Mary Jane Winters, Judy Brooks, Kathy McCann and Janet Chumney. Equally important were the reserve forwards found in Donna Pearson, Beverly Palmer, Brenda Knight, and Ann Joyner.

The results of the coaching efforts of newly-arrived Miss Hamner were showed by the trouncings her squad delivered to many fine clubs. The list of victories was started with a 54-40 decision over Antioch. Cinda Haddon flexed her scoring muscles to the tune of 32 points. Ida Gayden provided 12 points to nearly close out the scoring.

Bellevue fell the following night under a 27 point barrage from Cinda Haddon, while Brent Regen chipped in 11. The final buzzer showed Overton on top 64-56.

Hillwood dropped a 64-56 game to the Kittens but not before they threw a scare into the Bobcat camp. At half time Hillwood held a 6 point lead. After the smoke settled from the blazing final half the books revealed that Vicki Rauschenberger came off the bench and blasted the boards for 18 points. Brent Regen matched Vicki's performance while Ida Gayden and Cinda Haddon scored 14 and 12 points respectively.

Miss Haddon whipped in 31 points as Ida Gayden aided with 13 as Overton trounced Goodlettsville 57-34. The next evening Overton again turned the trick as it eased past Donelson by a 56-49 margin. Led by Vicki Rauschenberger with 18 points she

was boosted by a 15 point display from Cinda Haddon while Ida Gayden scored 13.

The following weekend saw Dupont buried under a 38 tilt from the deadly shooting of Cinda Haddon. Regen and Rauschenberger split an 18 point effort as Overton waltzed to a 69-60 victory. The curtains of defeat were lowered for the first time as an experienced Hillsboro sextet shattered the glorious victory drive of our girls. Under a 25-11 balance at the close of the first quarter the Burros fought back to swipe a 3 point victory from our grasp. The bright side was the 46 point explosion of the brilliant Miss Haddon as she had her greatest night. The nine point contribution of Ida Gayden was the only other major scoring.

Rebounding after the Christmas break the Bobkittens flushed Central out of the gym by the tally of 70-40 as again it was Cinda Haddon leading the way with 33 points as Vicki Rauschenberger added 12. Antioch proved tough to put down but Cinda Haddon, Brent Regen and Ida Gayden teamed and scored 35, 16 and 13 points, respectively, to quell the reluctant Bears.

Cinda Haddon and Suzanne Hogan were placed on both the 19th District and Regional all star teams.

Coach William Tucker

Coaches James Crawford and William Tucker surprised this town's baseball foes by unveiling an unusually strong club. Respected but not feared, the Sandlot Samsons opened by downing Glenciff 4-3 to start a 12-4 record. This was the first time in three years that Overton had won the season's initial launching.

Behind the outstanding pitching of Jim McClary and Jim Wilson the lineup held basemen Roddy Story, Don Lockridge, Eddie Walker, Dave Evans, Joe Carter, Larry Banniza, and John Hunter. Mike Goodrich, Mike Frensley and Sam Ewing were found hosting the outfielding duties.

Finishing third in the Western Division the Bobcats had many highlights to the season starting with the Glenciff game. With two out in the bottom of the sixth inning and Roddy Story on third base with the score tied, Jim Wilson bunted down the third base line to provide space for the winning tally.

Later in the season fans saw Overton playing Father Ryan for a chance to grab the Division lead. After seven innings the score was knotted 1-1 and until the bottom of the ninth inning it appeared to be headed for a marathon stay when with two out Jim Wilson singled into right field.

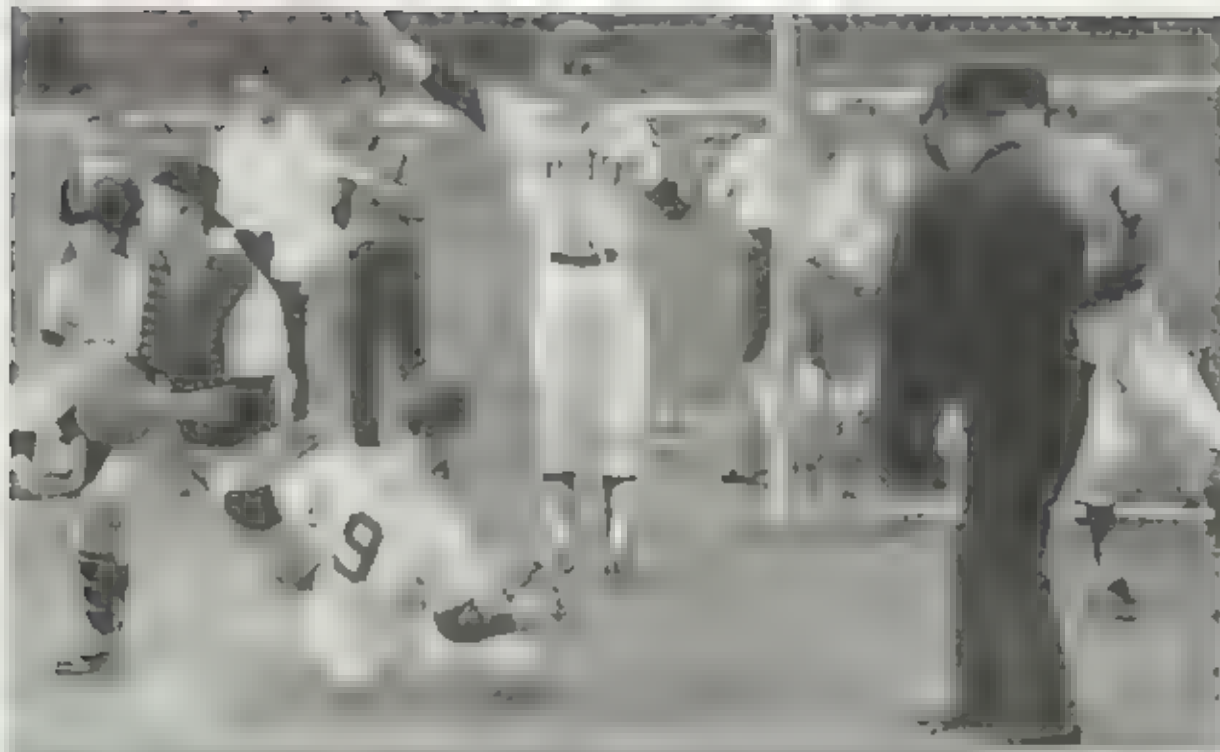

Slamming Sam Ewing pounded the dust on home plate and splattered a shot between two fielders for a double, then drove in the winning run. Jim McClary hurled a brilliant one-hitter that paralyzed any Ryan attempt to generate a few scores.

Days later Jim Wilson took to the mound and fired a no-hitter against Hillwood that stopped them 9-0. It was the first no-hitter of the season for the team. Jim fanned thirteen and walked one as only three baserunners appeared.

With a 12-2 record Overton was thrust into a three-way tie for first place with Cohn and Ryan. Unfortunately the 'Cats dropped the opener to Cohn and also the first round of the N.I.L. championship playoffs to Antioch, ending with a 12-4 season.

Overton was honored by the all-star selections as power hitter Sam Ewing was named to the All-Star squads of the Nashville Banner and Tennessean. Dave Evans and Jim McClary were posted on the all-Western Team while second baseman Don Lockridge and Jim Wilson were chosen on the Honorable Mention lists.

Coach: SOLON APPLE

Row 1: Randy McCormick, Wayne Thompson, Doug Pate, Bill Bell, Jim McCord, Clay Newman. Row 2: Bill Hrabovsky, Manager Jim White, Jerry Holt, Mike Hrabovsky, Jim Regen, Jim Clendenen, Mike Voss, Bob Johnston, Coach Solon Apple.

Led by Co-captains Mike Hrabovsky and Jim Regen, this year's edition of Overton's track team had a fine season. These two leaders contributed to the team as outstanding individual and group performers.

Hrabovsky led the Middle Tennessee region as the most outstanding discus hurler as he represented Overton in the TSSAA State Track Meet, held for the first time at Overton, where he placed in the upper division. He set a school record of 158 feet and 9½ inches as the only person to represent Overton in the State meet since 1963.

Jim Regen shattered the school 220 mark with a 22.8 timing. He anchored both the 440 and 880 relay teams that were also breaking records. An ailing knee robbed Overton of a chance to see Jim develop into the fastest sprinter ever seen here.

The highlight of the season was the copping of the first annual Green Hills Relays by the silkmen who roared back after the first day field events had the team trailing by twelve points. Despite the first place efforts of Mike Hrabovsky in the discus and fine performances by Clay Newman and Jim McCord it was Jim Bingham who broke the ice by scoring a surprise second in the 120 yard high hurdles. From there it was a sweep of events, totaling nine first places out of sixteen events. The 440 and 880 relay teams set records with Wayne Thompson, Bill Clendenen, Jerry Holt and Jim Regen at the helm. The mile and 2-mile relays were sparked by Bob Johnston supported by Bill Bell, Randy McCormick, Doug Pate and speedster Steve Oakley. To round out a brilliant afternoon Jim McCord won the mile run to add a glow to a fine track season.

GOLF

This year's golf team, made up of seniors Bill Whittemore and Burt Ferebee and juniors Brooks Harris and Donnie Cockerham, looked very promising as it finished second in the Western Division to Ryan, missing a first place tie by one point. Three out of the four members on the team were among the top ten individuals in the Western Division. Captain and Senior Bill Whittemore finished the season in third place with a 38.7 average, Junior Brooks Harris held sixth place with a 38.9 average, and Senior Burt Ferebee finished in the ninth position, sporting

a 40.4 average. Both Bill and Brooks qualified for the individual tourney held at Shelby each year for the top eight boys in each of the Western and Eastern Divisions.

They finished the season by winning the team runnerup trophy in the Region V tourney. Brooks also qualified for the State Tournament by firing a 77.

BOYS' TENNIS

Coach: JAMES STELLING

TOMMY KREBS JIMMY SMITH STEVE BARKER DICK ANDREWS JIM SEALE LARRY SCANT AND JIM KUHLMAN MARVIN TAYLOR

The Tennis team had something to be proud of. It finished the season by posting the best record ever in the history of Overton tennis at 7-2. This finish ranked the team third in the Nashville Interscholastic League and boosted them into the TSSA Regional Playoffs.

Perhaps one of the most memorable matches was the one against Hillsboro where playing the best games of

the season Overton lost the decision by one set. This play typified the efforts of the squad to improve. The team was composed of nearly all seniors—there are only two returnees. Jim Kuhlman waltzed through his best season aided by Tommy Krebs.

GIRLS' TENNIS

MARSHA PIERCE, IDA GAYDEN, SARAH RISSEr, LARK HAYES, ELAINE WILLIAMS.

During this season the girls had a very successful year with a record of 9-2. The team was led by Lark Hayes who was first singles player. Sara Risser was second followed by Mary Carol Humphreys. The doubles teams were Ida Gayden and Marsha Pierce, and Elaine Williams and Glenda Sharon. Lark Hayes went to the finals of the N.I.L. and had an excellent season. Since Lark had an untimely accident she was limited to the regionals. Sara Risser was a very talented tennis player and won the majority of her

tennis matches. Mary Carol Humphreys started as number three and proved to be very good. Her continual winning kept the Bobcats on top. The first doubles team consisted of Marsha Pierce and Ida Gayden who won many matches and went to the semifinals in the state. Although Glenda Sharon and Elaine Williams did not win many games they showed much improvement and Overton will look toward them in the future.

To Rosemary,

Rosemary, ~~to~~ you are
the sweetest, kindest girl
who ever sat beside me.
You have a great kind
of gentleness only found
in a select few. Always
be yourself, that is the
most important.

Good Luck!

Rosemary,
To a nice, sweet
girl. Good luck.
Jim Holland

Rosemary
You are a very sweet
girl! I have enjoyed sharing
several classes with you this
year and I hope we are in
some next year. I am glad
you are moving near me
because we can have a lot
of fun this summer.
Good luck always
Linda Doyle

To a real
great girl and
a good friend. Its fun
being in ~~school~~ ^{school}
with you this year.
Jimmy Daugherty

S. Faust
with affection

To a real nice girl.
Its really been fun in Algebra
this year. Best of luck always
Kerry

To Rosemary
The 1st of 1st
All the best
Love
Gina

Sorry that
I used

Rosemary. (Georgy)

I guess this is really my going
away letter, so I better make it
good. huh? I'm not much at words,
or for that matter at much else
either, except maybe to borrow
papper (HA, HA), but we have 3
things in common, one - I'm stalling
two - horses and three - nothing to
do. Our two differences are Chris and
the bratles. Even so I'm going to miss
you. I'll never forget you (how
could I) Please don't ever forget me

Bunda Griff

P.S. I wrote a lot because I like you and because you got sick and I filling up the space to look like you got more signatures (HAHA) (again)

(see page 163)

To a wonderful girl whom
I've enjoyed knowing. Best
wishes for the future.
